

HEALTH & SAFETY POLICY

ABN Scaffolds LLC is committed to prevent all types of incidents and ill health that may arise in all business activities, through effective Health and Safety management system.

Our Belief

- ❖ Implementation of Health and Safety is everybody's responsibility in ABN and H&S professionals will work as a catalyst to ensure that all site personal fulfil their H&S responsibility voluntarily.
- ❖ Any incidents which cause ill health, injury and damage to asset can be prevented by taking necessary precautions.
- ❖ Demonstrate and be guided by ABN core values: Admiration, Teamwork, Brilliance, and Uprightness.

Our Goal

- ❖ Provide safest and hygienic possible working environment to all employees.
- ❖ Promote Health and Safety awareness among employees through suitable motivation.
- ❖ Discourage actions and behaviors which harm Health and Safety of the employees.
- ❖ Establish and maintain prudent Health and Safety practices in all aspects of the works and at all levels of the organization thus eliminating the hazards and reducing health and safety risks.
- ❖ Using and developing H&S Objectives and key performance indicators.
- ❖ Promote a two-way communication on our HSE Expectations

Our path

- ❖ The senior management shall lead by example visibly uphold the principles of the policy.
- ❖ Self-regulation shall be prompted and Health and Safety responsibility shall be specifically communicated to all concerned and clarified to ensure proper understanding.
- ❖ Equally, it is the duty of each and every employee to assist the organization in the attainment of its Health and Safety objectives.
- ❖ Effective arrangements for consultation & participation between management and employees.
- ❖ Every activity shall have a formal risk assessment and all employee and subcontractors shall be made aware of the hazards and control measures before the job being performed.
- ❖ Comply with applicable legal requirements, local regulations and contractual obligations.
- ❖ Health and safety performance shall be monitored periodically for continual improvement.
- ❖ Occupational Health and Safety Management system shall be established, documented, maintained and continually improved in line with ISO 45001:2018 requirements.

This policy shall be reviewed periodically.
